MANNUM COMMUNITY COLLEGE

HARASSMENT POLICY

Rationale
We at Mannum Community College understand the danger and implications of bullying and harassment for both the victim and the perpetrator in both the immediate and the long term. It is for this reason that Mannum Community College has developed, in accordance with State and Federal Government Legislation and DECS Policies; the Mannum Community College Harassment Policy.

Everyone has the right to be treated with respect
Everyone has the right to be treated as a worthwhile person. It is the right of every student to be able to learn, and every teacher to be able to teach in an environment which is safe, secure and free from bullying and harassment. It is the responsibility of all those who are part of the school community to establish and maintain this safe and secure environment. Mannum Community College is committed to promoting healthy relationships and preventing bullying and victimisation of children and youth. Therefore, there is an expectation that all members of the school community will follow this policy.

Bullying and harassment is recognised in state legislation and is against the law.

What is Harassment?
Harassment is when someone treats you in a way that makes you feel embarrassed, uncomfortable, unsafe or upset because of your gender, race, intellect or appearance.

Harassment includes bullying and can be defined as; intentional behaviour that is unwanted and unwelcome. Bullying is the ongoing misuse of power. Conflicts or fights between equals and single incidents are not regarded as bullying. Bullying is usually but not always repeated. However, in cases of sexual harassment it is a single occurring offence.

What can you do if you are being harassed?
- Follow ‘Harassment Intervention Procedure’ - which can be found on the school’s website at www.mcc.sa.edu.au/
- Note the Cyber-safety Policy at www.mcc.sa.edu.au/

The staff at Mannum Community College can help you to resolve bullying and harassment problems – but they may not know you need help if you don’t tell them. Please – make sure you report instances of bullying or harassment, in written form, so that we can maintain a school where you can learn and teachers can teach, in a safe, secure environment.
