We will pause to remember those men and women who have died or suffered in all wars, conflicts and peace operations.

Tuesday, the 11th November, 2014, Mannum Community College paused to remember those who gave the ultimate sacrifice during war. It was a small turnout, but we were happy to have two special honoured guest, Mrs Joan Krieser and Mr Mark Davis from the RSL join us. The students did a fine job reading famous poems and some of their own creations.
